# PUBLIC HOLIDAYS

In most States when the holiday falls on Sunday,  
the Monday following is observed.

## MONDAY OBSERVANCE OF FEDERAL HOLIDAYS

Public holidays in some states are observed as such only by common consent, or when appointed by the Governor, and not by legislative enactment.

On June 28, 1968 Federal Legislation was passed shifting three existing Federal Holidays — Washington's Birthday, Memorial Day and Veterans Day — to Mondays, and makes Columbus Day a new Federal Monday Holiday, to be observed on the 2nd Monday in October. The Schedule for the other three; Washington's Birthday, 3rd Monday in February; Memorial Day, last Monday in May; Veterans Day, 4th Monday in October.

These Holiday changes apply to Federal Employees and the District of Columbia and go into effect on January 1, 1971 to give the states time to enact consistent legislation. States are expected to follow the Federal Government in this change in Holiday observance.
